Online Group – This is a great opportunity to share your thoughts and ideas with others.

Everyone gets a chance to talk. A new topic is explored each time based on participants' interests as well as directions for completing projects found in the grab-n-go bags in the office entrance. Pick up a bag and Zoom with us!

Drums with Gary – Weather permitting, drummers will be going to Rusty Buckets Farm to play for the animals. Gary is a professional drummer with many decades of experience and expertise in drumming. Gary does an amazing job sharing his talent with everyone. Come and learn some drumming techniques while playing on Gary's professional drum set. When you are listening to others play, you will be using drumsticks to drum out tunes along with the player. This is truly an awesome experience.

Friday Fun Days – Spring is here, and a host of exciting activities are planned. This month we will be going bowling, hiking, and to a very cool weaving class. A hands-on tour of the Commemorative Air Force Center is planned which includes being able to go on an airplane for a pretend flight. Join us at the Minnesota Zoo for a close-up and personal experience with the baby farm animals.
